MINISTRY VOLUNTEER OPPORTUNITIES at First United Methodist Church 2010-2011

This brochure lists opportunities to *Serve the World* through the ministries of our congregation at JFUMC. We ask everyone to volunteer for the ministry or ministries in which you find the most interest and enthusiasm. Put simply, serve where you love to serve!

The ministry commitments you make by completing and returning this brochure will be from September 2010 through August 2011, and you will be contacted this summer to confirm your selections and learn more about our upcoming plans. You may be invited to begin prior to September, if you are willing and able!

Please circle the areas in which you wish to serve. Each family member should submit a separate card.

Mark those ministry areas in which you are already serving and wish to continue, as well as any new ones in which you wish to serve.

A Master List with descriptions and time commitments is available in the pews and near the sanctuary entrances.
